228112			MOCKUP	1

COMMENTS FROM CUSTOMER:

MVA logo on back neck - colors to be your standard lime and purple. If that logo is 2" high, it scales to about 4.5" wide, which is fine. (builder shows a different width.)

Front art is a 10" circle (builder looks like an oval)

Letters for the team name "SOUTH" to be 1.75" tall on the right sleeve

Your Mockup Request is currently being worked on . Please contact [customer service](#) for more details.
